

# COUNTER TOP FRYMATE

**TKCU-FM1GN**

## STANDARD FEATURES

*Stainless steel construction*

- ✓ Made from high-quality stainless steel, this frymate is built to withstand the rigors of a busy kitchen environment while being resistant to rust and corrosion, ensuring long-lasting performance.
- ✓ Equipped with two heating lamps, this frymate provides consistent and even heat distribution, keeping your fried foods at the perfect serving temperature without drying them out.
- ✓ The inclusion of a removable GN 1/1 pan simplifies the cleaning process, allowing for easy removal and washing of the pan, thus maintaining high hygiene standards in the kitchen.
- ✓ Its countertop design makes it ideal for kitchens with limited space, ensuring that it fits easily into any kitchen setup while still providing ample capacity for maintaining and serving fried foods.
